Re: Intent to Return (2006-07)

Your staff has received the memo from Troy Christmas. OEA has not approved or signed off on this document. This form is now "tentative". While this is an improvement from last year's survey, we must caution members that items 4, 5 and 6 need careful consideration and need not be declared by Education Code until June 30, 2006.

The bottom line for OEA unit members is that this form is not due for numbers 1, 4, 5 and 6 until June 30, 2006.
